

Due to the amount of cars for the test and tune on May 2nd, 3rd & 9th there won't be enough time for you to get on the track. Therefore tech will start at 9:00 am. Practice will start a 12:00 noon to 5:00 pm. No cars will be allowed on the track before noon. Remember all cars must go through tech before opening race, this doesn't mean you won't go through tech again. We will try our best to make this happen. Only one crew member will be allowed in tech area (preferably the mechanic). All engines will be checked cold. There will be NO ARGUING, TECH'S WORD IS FINAL!!!!!! We are going to try and focus on Late Models and Super Stocks on May 2nd. If time allows we will tech some of the other classes. We hope to have all classes done by opening day. Your cooperation will be a big factor.
